The Gauteng Institute for Architecture (Gifa)

274 Fox St, City and Suburban,
Johannesburg, 2094
South Africa

The Gauteng Institute for Architecture is one of the oldest architectural organizations in South Africa, founded in 1900 as the Transvaal Institute of Architects. Gifa is a voluntary association affiliated to the South African Institute of Architects and endorsed by the South African Council for the Architectural Profession.

Westbury Clinic

Westbury Clinic demonstrates that social, economic and environmental value can be generated for local communities through a holistic approach to development. The building creates an environment that heals. One that promotes health, human dignity and justice through simple design solutions. It creates a civic presence in an environment that is otherwise indistinct.
